Subject: Federally Chartered Corporation: Review of the Financial Statement Audit Report for the Legion of Valor of the United States of America, Incorporated, for Fiscal Year 1999

Dear Mr. Chairman:

As requested, we reviewed the audit report covering the financial statements of the Legion of Valor of the United States of America, Incorporated, a federally chartered corporation, for the fiscal year ended April 30, 1999. The corporation's purposes include remembering the deeds of individuals who were awarded the Congressional Medal of Honor, the Distinguished Service Cross, the Air Force Cross and the Navy Cross, and to advance the best interests of members of the armed forces of the United States of America.

Federally chartered corporations are required under 36 U.S.C. 10101 to

- present the corporation's assets and liabilities and reasonable detail on the corporation's income and expenses in annual financial statements,
- obtain an annual financial audit by an independent public accountant, and
- submit the auditor's report and the corporation's financial statements to the Congress.

The objective of our review was to determine whether the audit report complied with the financial reporting requirements of the law. In carrying out our work, we reviewed the corporation's financial statements and the accompanying notes, performed certain analytical procedures related to information presented in the financial statements, reviewed the auditor's report, and made inquiries to corporation officials or the auditor as we deemed necessary. We did not review the auditor's working papers. Our review disclosed no reportable instances of noncompliance.

The audit report included the auditor's opinion that the financial statements of the corporation were presented fairly in accordance with generally accepted accounting principles. We are returning the audit report you sent with your letter.

Sincerely yours,
